

# – HOW TO REGISTER – Please Read!

If you have not register congress, you can register for the workshop when you register for the congress.

However, If you have already registered for the congress please send an email to [accounts@cmos.ca](mailto:accounts@cmos.ca) . Qing can add the workshop for you, then you can pay online.

**Remember you don't have to be signed up for the congress to take this workshop**, If you just want to register for the workshop only and not attend congress, you can do so by selecting "workshop" when you log on to your account and follow the above steps.

If you have any problems/issues please contact; [accounts@cmos.ca](mailto:accounts@cmos.ca) and Qing will help you.

**Go to Congress registration page;**

- <http://cmos.in1touch.org/event/congress2017>
- Click the "Login & Register" button
- If you are certain that do not have a record in our system (non-member) you must create a profile first before registering: So Create a Profile;
- Once logged in (log in your personal user name and password);
- Select 51ST CMOS CONGRESS – TORONTO 2017 page;
- Hit register;
- Hit Next;
- Type of Registration; select Workshop GOES R
- Click and highlight the circle next to Workshop – Member \$170
- You will be ask a few non important questions (dietary, a review or your order) Click through those, until you reach the payment page;
- Enter your credit card information;
- And complete your transaction, you're done!

**The registration fees is \$170 for CMOS member, \$280 for non-member.**

if you have any issues/problems contact Qing at; [accounts@cmos.ca](mailto:accounts@cmos.ca)

**Thank you for signing up for this great course!**

**Ron Bianchi**

**Chair, LAC CMOS Toronto Congress 2017**
